

Discover

Bringing Religious Education to life at Heatree Activity Centre

Learn Beyond the Classroom

A residential for year 5 and 6 pupils combining outdoor learning with Christian topics from the Devon Religious Education Syllabus

Adventures on Dartmoor

Outdoor activities and interactive sessions to encourage curiosity, build confidence and resilience and inspire effective teamwork

Exploring Faith Through Adventure

A distinctive element of the **Discover Residential** is the opportunity for pupils to engage with Christians in an open and accessible way.

Guided discussions and reflective activities help pupils explore values and beliefs, offering a meaningful and exciting curriculum-linked experience.

Pupils take part in activities such as **bushcraft**, **team challenges** and **environmental exploration** on Dartmoor. Each activity is designed to inspire thinking, questioning and growth through experiential learning.

The programme covers topics from the Upper Key Stage 2 enquiry questions from the Devon RE syllabus:

Unit 2.2 Creation and Science: Conflicting or complementary?

Unit 2.4 How do Christians decide how to live? What would Jesus do?
